IMPERIAL WAR GRAVES COMMISSION

WOORBURN HOUSE, WOORBURN GREEN

HIGH WYCOMBE, BUCKS.

12th April, 1957

Ref.....

Dear Miss Morgan,

Thank you for your letter of the 6th April.

I am so sorry that the Commission do not supply photographs of individual graves but the British Legion have a service for doing this at a reasonable charge. I would willingly have forwarded your request for a photograph to the Legion but, as you will shortly be leaving this country, it would perhaps be better for you to write to them direct. Then, if there is not sufficient time before you leave for a photograph to be taken, you would be able to give them your address in Australia.

In writing to the Legion, you should give the name and Service particulars of Sergeant Nettleton and the cemetery and grave location, as under:-

49 Pall Mall London, SW1

1876635 Sgt. K.W. Nettleton, R.A.F.,
Reichswald Forest War Cemetery, Cleves,
Germany,
Plot XXIX, Row A, Grave No. 7-12.

... I am enclosing a spare photograph of a part of the Reichswald Forest War Cemetery which the Commission happen to have, and which you may like to keep.

Yours sincerely,

Miss J. Morgan,
11, South View Road,
Hornsey,
London, N.8.
